Frequently Asked Questions

1. Are residence halls considered congregate care settings?
No, but higher education employees who work in isolation or quarantine housing, as well as other staff or students who assist students who are being transported to/from isolation or quarantine housing on campus may be vaccinated as part of Phase 1.
2. What about healthcare workers who are doing non-COVID facing care, such as Certified Athletic Trainers?
Healthcare workers doing non-COVID facing care are eligible in Phase 1. See [COVID-19 vaccinations for health care workers / Mass.gov](#) for more information and specific occupations.
3. What about faculty and staff who come into close contact with many students on a daily basis, but are not included in Phase 1 or Phase 2?
Faculty and staff who are working with students on a daily basis, but do not fall into Phase 1 or Phase 2, will be included as a priority group in Phase 3.
4. Can institutions of higher education vaccinate employees and students whose permanent residence is out of state or out of the country?
Yes.
5. Where can I find additional information to answer frequently asked questions from faculty, staff and students?
[COVID-19 vaccine frequently asked questions / Mass.gov](#)
